SUBJECT: Request by Dr. Aqeel Khan to change street name in Tract No. 16259 (Granite Homes)

RECOMMENDATION

Staff recommends that the City Council change the street name of Khan Drive to Lodhi Drive or Aqeel Drive.

BACKGROUND

On July 22, 2003, the City Council approved the street names for Tract No. 16259 which is being developed by Granite Homes into 57 single family residences. One of the street names was named by the winner of the 2002 Loma Linda University Children's Hospital Auction.

Dr. Aqeel Khan won the opportunity to name a street and met with City staff to identify the street within Tract 16259 and provide the name. Dr. Khan selected Street A and requested that the street be named after him ("Dr. Aqeel Khan Drive"). At the June 24, 2003 meeting the City Council directed staff to reduce the street name to "Khan Drive".

ANALYSIS

Dr. Khan was informed of the City Council's decision to name the street "Khan Drive." He had concerns about this modification to his original request, due to the numerous Khan families in existence. He prefers to have a name that provides more identity such as his full name, his family name "Lodhi," or his first name only.

ENVIRONMENTAL

Approving street names is a ministerial action and therefore exempt from the California Environmental Quality Act.

FINANCIAL IMPACT

No financial impacts are anticipated other than the costs associated with constructing and placing the street signs on the finished streets.
